Under each picture write **V** for Vegetarian food and **N** for non-vegetarian food.

1.  
2.  
3.  

4.  
5.  

---

Draw three things that you would like to eat for breakfast on the plate given below.

---

**Did you know?**

Bees store honey in their honeycomb for the long months of winter. Few flowers bloom in winter, therefore, little or no nectar is available then.
